Subject: [External] Dominion Energy Net Metering Tariff

I have been beholden to SCE&G/SCANA/Dominion Energy energy dominance since 1973.

Please reject the anti-renewable proposal from Dominion Energy, docket #2020-229-E.

Our last state in the union, South Carolina, needs to move forward with alternative energy at a reasonable costs, not the same old monopolist, corporate energy policies that your agency kowtows.

Thanks for nothing.
